Privileged/attorney work product/deliberative

Hi Pooja –

Lucita is on leave this week and I'm wondering if you can help us out with some new language in the Pavillion letter

Ex. 5 - Attorney Client

Ex. 5 - Attorney Client

Can you please let me know if you are OK with this language or if you have any suggested edits? Below is some background information Lucita provided a while ago.

Thanks! Kimi

We are tentatively planning to meet with Ayn next Tuesday and were hoping to let her know about the accuracy of the statement by then, but there is a chance that this meeting will get postponed – I can keep you posted on that!

Kimi, I hope I characterized our inquiry correctly; if not, please feel free to elaborate further.

Thank you Lucita!
